# GOLF Tournament

## Can Golf Help the Homeless?

We would like to take a minute to tell you about a way to help the homeless and be part of the best golf tournament in Hampton Roads!

People in Need (PiN) is a non-profit, faith-based ministry that provides job training, medical and dental care, housing, and recovery groups for people who are homeless or extremely poor. PiN envisions generational brokenness healed and lives changed by a God who loves and heals people completely.

By supporting the tournament, you are strengthening our outreach and spreading the word about an effective answer to homelessness. Bring extra cash for games and the silent auction! We also invite you to stay for an included buffet lunch.
